GETTING MARRIED AT ST ANDREW'S

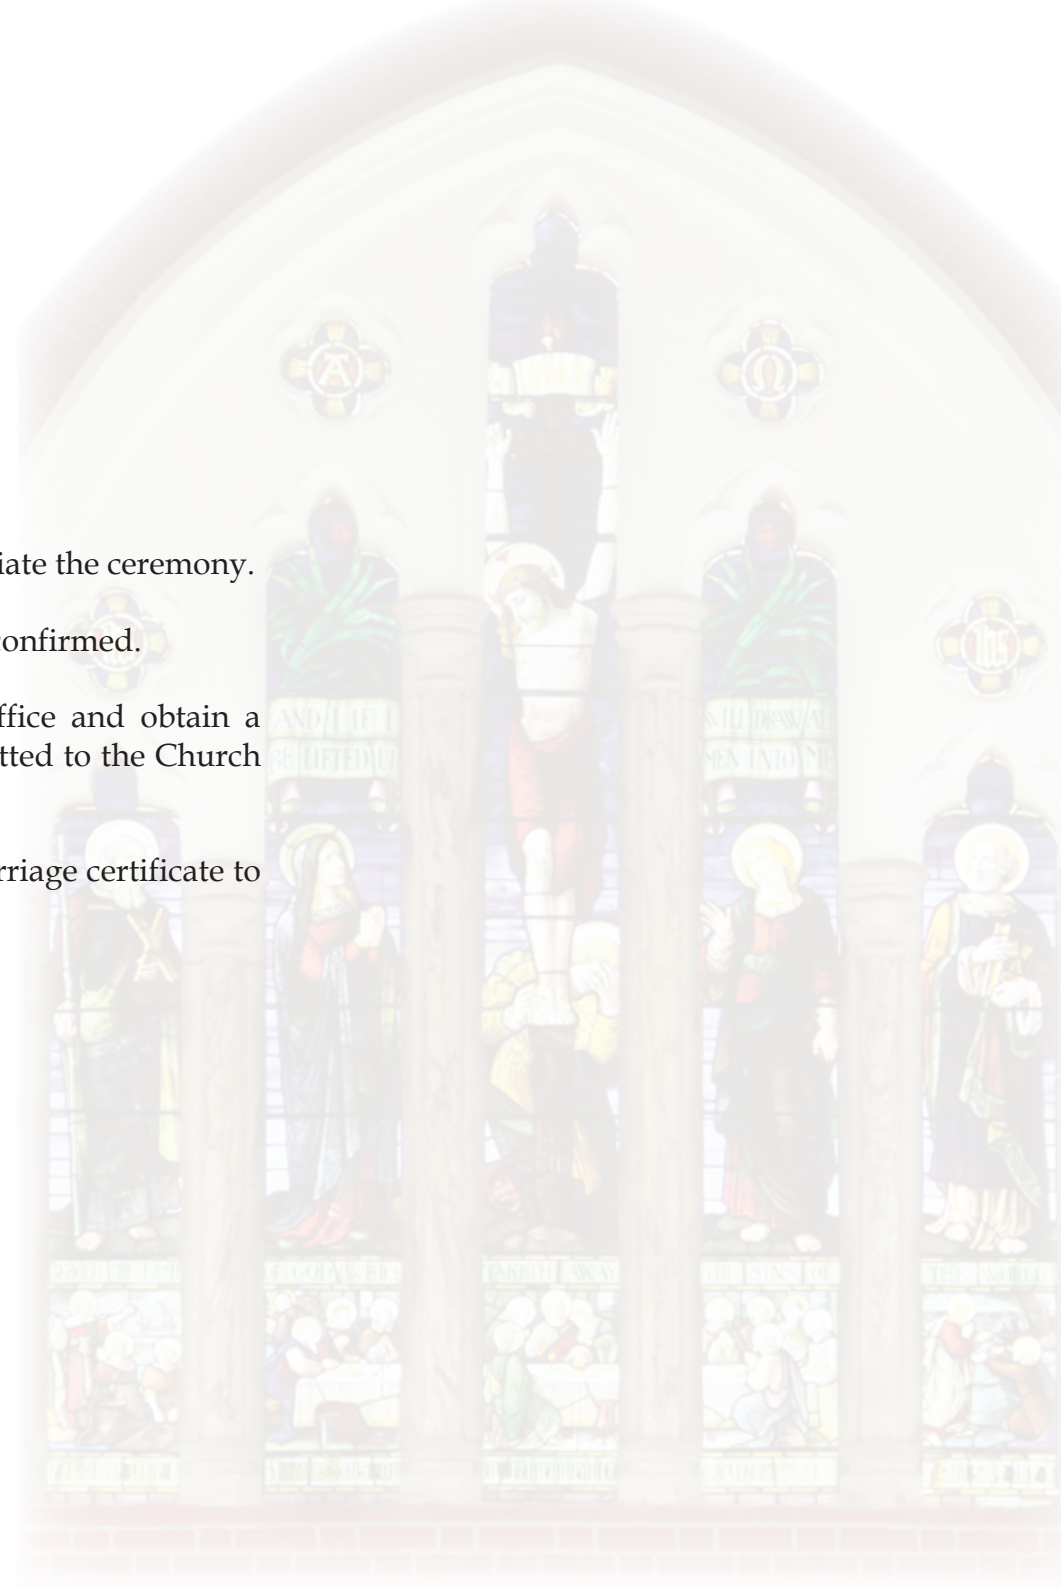

St Andrew's Church is committed to the institution of marriage between a man and a woman. Marriage has been instituted by God (Genesis 2:24-25) and is a reflection of the marriage between Christ and his bride the church (Ephesians 5:25). Because of this we are eager that each couple to be married at St Andrew's knows and hears the gospel of Jesus. In addition we want couples to not simply be prepared for a special 'wedding day', but to be couples who are also well prepared for a 'life-time' of faithful marriage. St Andrew's Church is part of the Anglican Province of Hong Kong Sheng Kung Hui, part of the Anglican Communion. Our guidelines and rules stem from our Bishop. For a couple to be married in St Andrew's at least one of them should be a baptized member of an Anglican Church. We expect that at least one of the couple has been baptized and that he/she is a regular practicing member of an Anglican church. For members of St Andrew's or one of her daughter churches, or members of other Sheng Kung Hui churches, we ask that couples make contact with their clergy directly. Members of St Andrew's must complete the marriage preparation sessions with a trained mentor couple appointed by the clergy before the wedding.

BLESSING OF A CIVIL MARRIAGE

St Andrew's is unable to marry divorcees. However, in the case where one or both parties are divorced, St Andrew's can offer a service of blessing after a civil marriage. Couples can contact the clergy directly. The guidelines above, concerning marriage, also apply to couples who wish to have a blessing service after a civil marriage.
